Hi Udayini,

Ma'am only two days are left and i do not have any dependency in any projects.

Please guide me through the last proceedings because i think it will take at least one or two days for getting No Dues.

Ma'am i know you are having a busy schedule but if you have someone else to whom i can directly meet up in Noida's office where one can guide me with further steps then it will be very helpful for me.

Its a very keen request from my side.

with regards,
Shitij Singh

Hi Shitij,

As you would have received OOO, we are in critical activity.

Nevertheless, I will check with the Ops team and revert on their call. Meanwhile, you haven't reverted on my initial email with your consent awaiting the same.

Regards,
Udayini

Importance: High

Hi Shitij,

Please note, the Notice period policy needs to be adhered here.

In case you require an early release, we will have to have enough details around it and the decision lies with Operations team and HR leadership equally. In case the early release is approved, please be appraised that the remaining NP will be recovered in your F&F.

Please suggest if you have logged your exit on ESS and share the trigger email with me.

Regards,
Udayini
